Father: Hey Lokesh! Mother and I need to go to the market. It is raining outside and I have a problem.

Lokesh: What's that, father?

Father: We need an umbrella. We gave________ to Surya uncle yesterday and he is not at his home now. Can we use ________?

Lokesh: I gave________ to my friend Anil and he has gone for his tuition classes.

Father: Oh! Ask Tulasi sister if she can give________.

Lokesh: Her umbrella will be too small for you. I shall ask Rao uncle if he can lend_______.

Father: Rao uncle is out of town. Could you go and ask the Patels if we can borrow________?

Lokesh: Sure, father.
