

QA Assessment Time

Exercise 1

Read the paragraph given below, identify and state the type of each underlined phrase.

Mastering the English language can open a whole new world of opportunities. Being able to speak English fluently often helps individuals stay ahead of the game in their careers and education. Additionally, the language is rich and versatile, which allows people to express themselves in an articulate and precise manner. This can be especially beneficial in professional settings where clarity and precision are valued.

Exercise 2

Expand each sentence by adding either an adjective phrase, a noun phrase, or an idiomatic phrase based on the hint.

1. The boy — (Add an adjective phrase)
2. She gave me a gift. (Add a noun phrase)
3. He left without a word. (Add an idiomatic phrase)
4. We were extremely happy after winning the World Cup. (Add an idiomatic phrase)

Exercise 3

Create one sentence each using the following phrase types. Use them in meaningful and imaginative contexts.

1. Adjective Phrase- Slow and steady
2. Noun Phrase- A basket of fresh fruits
3. Idiomatic Phrase- Time is money

QA Assessment Time
